GARDENING IN AUGUST

Ensure that all your roses and fruit trees are pruned and sprayed. Finish transplanting shrubs and prune philadelphus, dutzia, weigela and may, and plant out water lilies and gladioli. Divide and plant out perennials such as chrysanthemum, michaelmas daisy, helenium, rudbeckia, phlox and lupins. Sow seed of alyssum, virginian stock, nemesia, mexican poppy, nemophila and other annuals for summer flowering. In your vegetable garden plant potatoes, onions, jerusalem artichokes, shallots and three varieties of peas to mature at different times.

BUNGONIA BUSHFIRE BRIGADE

There have been no fires reported for the past month.

The Brigade will be holding their ANNUAL GENERAL MEETING ON FRIDAY, JULY 25, 1997, at the new fire shed from 7.30pm.

Thank you to the members who helped pour concrete at the new shed during the weekend of July 12. The concrete poured was for the footings for the tower, slab for the water tank and a footpath on the southern side of the shed. Also the old fire bell has been erected. This proudly stands outside the shed on the southern side and it looks fantastic.

Thanks, guys!

The official shed opening will be held on September 20, 1997, around 12 noon. It will be officially opened by Peta Seaton and a sausage sizzle will be held straight after. Please come and celebrate this great new venture.

The Bushfire Brigade are conducting a raffle to swell their funds. The winner can choose between a lovely Coolery Book, a practical Stepladder and a cuddly Teddy Bear. Tickets at \$1 each are available in books of 20 from Ray Dole Snr.

Hope to see you at the AGM.

Regards, Cherie Jenkins, Secretary.

POETS' PATCH

BUNGONIA AFTER RAIN

Branches heavy with moisture, air gum-fragrant,

Under leaf canopy, dripping,

Nature revelling in rain -

God's pity on drought-parched paddocks,

On lifeless gardens.

Newly flowing creek, momentary torrent,

Incredible in volume and force.

Australia - perpetual contrast, Divine enigma. M.E.S., "Lynjac"

In Council

with Inda Evans

Access to the Fire Shed

The sloping section of land between the fire shed and the road badly needs to be sealed to stop mud slides into the new building every time it rains.

I have requested that Council staff look at the job and provide some advice and costings to the brigade for work to be done when the appropriate equipment is in the area.

With a joint and co-operative approach, we may be able to get the job done at minimum cost to everyone.

Road "Swap"

Several months ago, the Classic Riders Club of Goulburn requested some land on the old Bungonia Road to erect a monument. The site is the starting point for the first Australian Motor Cycle Grand Prix held in 1924.

The land is owned by the RTA who were not willing to part with it without payment.

Since then, the RTA has requested that land adjacent to the Hume Highway south of Tiyces Lane and owned by Council be handed over at 'no compensation' as it is needed for highway improvements.

Council has advised the RTA they will agree to a 'swap' of the highway land and old Bungonia Road site so that the Classic Riders Club can go ahead with a monument.

Developments

• A subdivision of land has been approved at Jacqua and

Bungonia-Windellama Roads to enable an engineering business to be established there.

• An animal farm for tourists has been approved on Boxers Creek Road. Once it becomes operational, I would strongly encourage visitors to use the Rosemount Road entrance to Boxers Creek Road as the highway turnoffs do not at present provide for adequate deceleration lanes, especially for traffic heading north.

Landcare

Windellama Landcare has been permitted to put up five signs. These will draw attention to their projects so highlighting some of the excellent community activities taking place in our area.

Recreation Grants

Application forms for NSW Department of Sport and Recreation grants are now available and will close on 31 August - that means they have to be in the Department by then. They usually involve only 50% funding with the community putting up the remainder of funds.

New play equipment for the park may be a suitable project or you may have some others in mind.

In either case, please let me know urgently so that the applications can be arranged in time.

Library News Storytelling

The Library is hosting a visit from popular storyteller and author, Ruth Atkinson, on Tuesday 5 August at 11am.

It's free and great fun for the kids. To book, ring the Library on 230 435.

Surfing The Net

If you've heard about Internet, never tried it, and would like to have a go, the Library has started *How to Surf the Net* classes to introduce beginners to the basics of finding information on the Internet.

The sessions run for about half an hour on Wednesdays at 11am and Thursdays at 3.30pm.

This is a good way to catch up with the latest technology without having to buy before you try.

Numbers are limited so please book in by phoning 230 435.

B & Bs

Council now has a Development Control Plan (No.6) for Bed and Breakfast establishments. This is a document which outlines the requirements if you are planning to set up one of these.

After being on public exhibition, the plan was adopted by Council at its June meeting.

As our part of Mulwaree Shire has very little by way of tourist and visitor accommodation, it is good to see this policy in place.

Rates

Council's 1997/98 budget has now been adopted and includes the State Government's allocated rates rise of 3.1 per cent. This will add only a few dollars to the minimum rates.

Contact your Councillor

If you have any concerns or would like to raise any specific issues, I would be happy to hear from you.

I can best be contacted after 6.00pm weekdays or on weekends on 411 900 or 019 998 235. My fax number is 411 901.

You can also write to me at PO Box 38 Marulan 2579.
