The Editors would like to thank the Bungonia Quilters for the great quilt they made to be raffled by The Times. It raised \$529.25 and was won by Sandy Wooderson. Well done Sandy!

The funds raised will certainly help keep "The Bungonia Times" in print for a couple of month. Thanks to all those who supported us, without your help, the paper would not survive.

PATCHWORK & QUILTING CLASSES

Contacts: Pauline Dickson 4844 4202 or Cherie Jenkins 4822 4241

The quilters held a display on Market Day in the fire shed which raised a massive \$222.20 which was donated to the Bungonia Fire Brigade.

Many folk visited the display and all were very impressed with it. We had very positive reports about the display and most were impressed that we had only been going for approximately 18 months. All quilts except for 1 were made by local ladies, and in the 18 months they have been together, 72 quilts were displayed beautifully in the fire shed.

We would especially like to thank all the visitors that came through and donated a gold coin (some donating more than asked for). You have helped us achieve more than we expected. Thank you.

Also, a BIG thank you to all the quilters and the Fire Brigade members who worked tirelessly setting up the display and manning the shed on the day. We should all be very proud of ourselves. GREAT STUFF PEOPLE!!!!

You can become a part of all this, so come along and join us for our classes, we're a real friendly lot (noisy at times too), come and meet other local ladies for a spot of sewing and morning tea! Everyone is welcome, every Monday at 9 am to 12 midday at the Bungonia Village Hall. If you would like to learn the art of patchwork and quilting, contact Pauline Dickson on 4844 4202 or Cherie Jenkins 4822 4241.

Classes are only \$2.00 (\$1.00 towards new books, tea, coffee etc & \$1.00 towards hall hire) and if our teacher comes, we pay \$4.00 extra to help cover her travelling costs, where else would you get classes this cheap! Everyone is welcome, it's great to meet each Monday morning and meet others from our community.

Our Branch celebrates its 73rd year as an organisation in the Bungonia district on 12th May 2001, with this in mind it's a good time to reflect on a couple of the Objectives of the CWA. Our aim is to improve welfare and conditions of the women and children in the country districts and to provide better educational facilities, also to draw together all women, girls and children in order to make country life more attractive.

We would like to welcome Kath Hogg of Goulburn as a new member to our branch, Kath has previously been a member of the Bundanoon Branch.

Captains Report

Another quiet month, and aren't we lucky escaping the last season with out a major fire. Remember, if you want to burn off, phone the base to let them know in case someone sees smoke and reports it, and most important, inform your neighbours, it just takes a quick phone call and peoples minds will be at ease.

I hope everyone had a very happy Easter break and maybe we'll see you at the next meeting!

John Edwards, Captain

A note from the Secretary

The Bungonia Quilters held a display of quilts at Market Day in the village. In all, there were 72 quilts displayed not counting pillows and other quilting items which were also displayed. It was put together very well and drew a lot of attention.

Also, the raffle held raised \$881.50 with all the prizes donated.

1st prize went to: Mrs Peterson, Bullamalita Road
2nd prize: Mr Bill Slade, Braidwood Road
3rd prize: Mrs Irene Cooper, Sydney

Thanks to Dawn Edwards helped up secure the great esky and the contents, thanks to Eileen Smith who baked and iced the wonderful Easter cake and to the locals who donated the candle stick holders. You all deserve a big pat on the back.

Many thanks to all, Cherie Jenkins

Re-petition regarding the electricity outages.

Last week I was contacted by the energy Ombudsman who informed me she has spoken to a MR Woods from the electricity department and he has informed the Ombudsman that a 240v high voltage will be installed by mid 2001, to cope with the demand.

I have also received a letter from the state member informing me that the situation will be monitored to ensure we do get the 240v high voltage output which will ensure that we do not have interruption to our supply as often as we have been having.

The Ombudsman Allyson Henry will be monitoring the situation as well to make sure the information given her will be followed up. I will keep in contact with her and visa a versa.

As for the charges for rural twice and access as well. I have been given an address in Sydney to write to where the prices are regulated by a government body.

Mrs Davis

GARDENING IN MAY

This is the time of year when a lot of general cleaning up can be carried out in your garden.

With cooler nights, mildew which is a fungus, can be seen on the leaves of Dahlias, Hydrangea, Petunias, Delphiniums, Easter Daisies, Pumpkins and Cucumbers as well as some others but it is not worth spraying with a fungicide. Delphiniums and Easter Daisies can be cut back about 8cm, above ground and with Dahlias, cut the stems above the leaf node. If you cut between the nodes, the stems being hollow can fill with water and the bulbs can rot.

Any leaves covered with mildew should not be put in compost heaps as this fungus will spread through your garden when the compost is spread next season. Make sure you burn those leaves or put them in the bin as garbage.

This month many perennial plants such as Polyanthus, Russell Lupin and Delphiniums can be divided making sure when you replant them to dig some compost into the garden as well as a light dressing of complete fertiliser.

Vegetables to sow are very limited as any seedlings planted now lay dormant during the winter months. Broad Beans are excellent to plant now, they do very well in the cooler climate, but before sowing the seed only, give the bed a good dressing of garden lime.

Onion plants are available now as well in nurseries. Plant white and odourless onions only though. Onions need very little water, plenty of sun, good drainage and before sowing a light dressing of complete fertiliser.

Flower seedlings that can be planted now include Calendula, Stock, Wallflower, Alyssum, Poppy, Pansy, Viola and Verbena.

Another general clean up job is to lift Gladioli bulbs and store them in a box or hang them up in an airy shed.

Happy Cleaning Up Your Garden!
